HOW TO GET STARTED

Every Granite Transformations installation is made to measure and hand crafted to your exact specification to ensure a perfect fit. One of our experienced design consultants will visit you to take precise measurements and help you decide on the surface that will best suit your lifestyle and colour preference. Many benchtop makeovers can be completed in just one day.

SINKS, TAPS AND APPLIANCES

As part of our service, we can advise on the purchase of new sinks, taps and appliances to complete your kitchen makeover. Granite Transformations are supported by a team of qualified and reliable trades, ensuring your dream makeover is completed in as little as a day with minimal mess and fuss.
