KITCHENS

Granite Transformations® specialise in transforming your tired and dated kitchen into the kitchen of your dreams, without the huge expense associated with a complete demolition and rebuild. Our fully accredited installers will work closely with you to ensure we achieve the exact look you desire.

We can not only alter the shape and size of your benchtop, we can also replace old cupboard doors, drawer fronts and panels, with your choice from the latest designer ranges and colours. We can transform your old benchtops or do a complete makeover on your kitchen, at a very reasonable cost and without the hassle of having your old kitchen demolished and replaced.

Our exclusive product, **Trend Superior Surfaces®**, is the ideal solution for your busy kitchen with a benchtop makeover usually being completed in as little as one day.

We are not limited to kitchen makeovers. Our team can design and build you a brand new kitchen to the highest standard, utilising our **Trend Superior Surfaces®**, the strongest and most durable benchtop product on the market today.
